Gradual reopening of Community Participation Supports

Including Centre for Belonging, Vision Quest, Richmond Hill Learning Academy and Vaughan Learning Academy

Dear Families and Participants,

We recognize the challenges you have faced with program closures and related COVID public health restrictions over the past two years. In particular, we appreciated your support over the past month and a half while Community Living York South was managing unprecedented operational challenges.

We are happy to begin on line virtual programming for Centre for Belonging, Vision Quest and Richmond Hill Learning Academy on February 14. Vaughan Learning Academy will be up and running by February 21, 2022.

The Reopening Committee will begin meeting again on February 24, 2022. We are planning to reopen sometime in the spring. We will communicate with you monthly, as we work towards returning to in person day supports.

Any questions, please connect with the staff of the program, or myself.

Thank you,

Cathy Johnston
