This series of workshops is your guide to creating structure, routine, the right supports, and social connection.

Passport Program

Do you have a child who is over the age of 18 with an intellectual disability? Do you want to know how about the passport reimbursement process? If you have a child who is enrolled in school and want to be an advocate or learn more about Inclusive Education, then this will be a great opportunity for you to participate, learn and make your voice heard! If you are interested in accessing this training Contact Jayanthini Jega jjega@communitylivingyorksouth.ca
